

# The Golden Cross

I am the Balancer, the Harmonizer

With Elegance and Grace  
Simplicity and Beauty  
I bring All to Centerpointe.

Holding Center I invite you  
to move into and through  
the portal of your heart system...

Wherever you desire to travel/Be  
I am with you...  
For wherever you go  
Your Center is Grace.

We Come Together as One in the Heart Beat.

You Sing Me  
I Sing You

Antonia Albano, February 2012
